RE: Readoption of Rules Expiring on January 1, 2019

MEMORANDUM

Recommendation: readopt all administrative rules set to expire on January 1, 2019.

Under IC 4-22-2.5, an administrative rule adopted under IC 4-22-2 expires January 1 of the seventh year after the year in which the rule takes effect unless the rule contains an earlier expiration date. As such, State Board of Education (“Board”) staff recommends the Board readopt the following administrative rules, as the rules provided below are set to expire on January 1, 2019.

The Board will not be considering new language or amending existing language at this meeting. The Board is merely granting Board staff permission to initiate the readoption process. The readoption process will proceed as follows:

- Staff will file the required paperwork with LSA and publish the list of rules the Board intends to readopt.
- Public comments will be accepted as required by statute.
- Rules eligible for readoption will come back to the Board for final approval, after considering all public comments received.
- Board staff will file a Final Notice of Readoption with LSA, and the rules will be readopted.
